

Making Energy Work for Rural Oregon
Klamath Falls, Oregon
February 26th, 2016
Oregon Institute of Technology
College Union, Mount Mazama Room

9:00-9:45am: OIT Solar and Geothermal Tour

(Invited Speakers: Joe Wall, City of Klamath Falls and Jim Zipay, OIT Facilities Manager)

- Coffee and registration
- Welcome
- Tour

10:00-10:45am: Energy Independence - Inspirations from Lake County

(Speaker: Jim Walls, Lake County Resources Initiative)

- Biomass
- Solar and geothermal
- Efficiency
- Flash Drive Energy Resources

11– 11:45am: Klamath Falls' Energy Potential

(Speakers: City Planner Joe Wall, Todd Andres, Pacific Power, and Karen Chase, Energy Trust of Oregon)

- Klamath Falls past successes
- Pacific Power Time of Use update
- Best opportunities for savings

--BREAK --

11:45am -12:30pm: Home Energy Savings

(Invited Speakers: Brooke Ingram, Energy Trust of Oregon, Eric Andrews, Ecosolar and Rob Petchell, Klamath and Lake Community Action Services)

- Best energy savings options
- Solar energy
- Financing programs
- Middle and low income programs

12:30-1:30pm: Lunch Table Topics

- Renewable Energy (Dan Orzech, Oregon Clean Power Cooperative, Eric Andrews, Ecosolar, Brian Brown and John Lund, Geothermal)
- Community leadership (Jim Walls, LCRI, Joe Wall, City of Klamath Falls, Karen Chase, Energy Trust of Oregon)
- Emerging Technologies (Jim Bahrenburg, Kyle Petrocine WR, Julie FCA,)

- Agricultural Energy Efficiency (Bill Lehman, KWP, Robert Wallace, Wy'East, Energy Trust of Oregon)
- Local, State & Federal funding (Brooke Graham, Energy Trust, John Holman, USDA Rural Development , Rob Del Mar, OR Dept. of Energy)

1:45pm-2:30pm: Renewables: Solar Coops & Geothermal

(Invited Speakers: Dan Orzech, Oregon Clean Energy Cooperative, Luke Robinson, Shasta view and Malin Irrigation Districts & Brian Brown, Geothermal Engineer)

- Cooperative Solar Ownership Model
- Opportunities for Irrigation Districts
- Geothermal benefits & opportunities

2:30 – 3:30pm Emerging On Farm Energy Technologies and Opportunities

(Invited Speakers: Kyle Petrocine, Wallowa Resources, Julie FCA, & Robert Wallace, Wy'East Jim Bahrenburg and Energy Trust of Oregon)

- Piping, micro hydro and fish screens
- Deep drip
- Low cost agriculture energy and water savings opportunities

3:30-4pm: Next Steps & Take Away

(Moderator: Joe Wall and Karen Chase)

- Facilitated discussion
