LOWER JOHN DAY PLACE BASED PLANNING MEETING & OUTREACH EVENT

You are invited to attend a public outreach meeting of the Lower John Day Place-Based Planning work group. We will be discussing water demands in the lower John Day Basin and seeking your input on potential solutions.

Please join us for dinner and expert presentations. Oregon Department of Fish and Wildlife (ODFW) will present on the water needs of native fish in the John Day basin. The John Day Basin Partnership (JDBP) will give an overview of their efforts and present on funding opportunities.
